Profile Summary

Aspiring Computer Science Engineer specializing in **IoT and Artificial Intelligence**, with a strong academic record (**8.77 CGPA**). Passionate about developing innovative hardware-software solutions and robust cybersecurity applications. Proven ability to lead teams through **Sports Council** initiatives and perform under pressure in competitive hackathons. Seeking an entry-level opportunity to leverage skills in IoT, AI, and Data Analysis to contribute to impactful engineering projects.

Education

- **Bachelor of Technology (CSE - Internet of Things)** 2024-2028
CGC University, Jhanjeri
CGPA: **8.77**
- **Secondary School Education** 2023
St. Michael Sr. Sec. School, Haryana
PCM: **77%**

Projects

Smart AI Bulb Socket (IoT & Automation)

- Designed and prototyped an intelligent bulb socket capable of remote operation and energy monitoring.
- Integrated AI-driven usage patterns to automate lighting schedules, reducing energy consumption by approximately 20%.
- **Tech Stack:** IoT Sensors, Microcontrollers (Arduino/ESP8266), Python, C++.

Shieldfied – Cybersecurity Web Application

- Developed a cybersecurity awareness and tool platform featuring a cyberpunk-themed UI using the MERN stack context.
- Implemented features to simulate threat detection and educate users on digital hygiene.
- **Tech Stack:** React.js, Node.js, Express, MongoDB, CSS3 (Glassmorphism).

Skills

- **Technical Skills:** C++, Java, Python, HTML5, CSS3, JavaScript, SQL, Power BI, Advanced Excel.
- **Core CS & IoT:** Data Structures & Algorithms, Internet of Things (IoT) Architecture, Artificial Intelligence Basics, DBMS, Computer Networks.
- **Soft Skills:** Leadership (Sports Council), Team Management, Problem Solving, Adaptability, Public Speaking.

Achievements / Participation

- **Hackathon:** Successfully participated in **6 Hackathons**, including the **Cyber AI Hackathon (Derby, UK)**, **NITS Hacks 8.0** and **SVIET Hackathon**, developing solutions for real-world security and coding challenges.
- **Leadership Role:** Serving as a **Core Member of the Sports Council** at CGC University; organized department-wise tournaments and managed logistics for over 200+ participants.

- **Sports Excellence:** Secured **2nd Position** in the Inter-Departmental Kabaddi Tournament, demonstrating teamwork and physical endurance.
- **Campus Leadership:** Selected as a **Campus Ambassador** for **My Job Grow** and **Nischit** acting as a strategic liaison between the company and the university to promote career development initiatives.
- **Technical Development:** Actively expanded technical expertise beyond the curriculum by completing intensive workshops in **Power BI** and **Data Analysis**, demonstrating a commitment to continuous upskilling.
